

The BESS program provides
FREE MAMMOGRAMS
to underserved women in the
Grant County area. The program is
funded in part through grants from the
Susan G. Komen Foundation,
the Avon Breast Care Fund
and the Indiana Breast Cancer
Awareness Trust. For more

*100% of walk proceeds stay in Grant
County to provide free mammograms and
women's health education.*

Keep It Local!

Cancer Services of Grant County
invites you to become a part of
our mission to provide proactive
healthcare for women in this
community. Your support in
this fundraising event can make
a difference for the lives of your
friends, family, and neighbors!
Please join us at the First Friday
Celebration on the courthouse
square as we rally together in
support of education and early
detection against breast cancer!

Together we will make a
difference!
