

# 8TH ANNUAL WALK OF HOPE

---

walk as a survivor. walk in honor of a loved one. walk in memory of a battle lost. walk because you care. walk to make a difference. walk to save lives. walk to bring hope. walk. it will matter to someone.

---

Cancer Services of Grant County needs you!

when: friday, may 2, 2008 6:30 p.m.

where: first friday on the courthouse square-marion.

why: early detection saves lives.

100% of funds raised will support the BESS (breast education screening & survival) program by providing free mammograms to underserved women in the Grant County area. Keep it local...it made all the difference to 14 women whose lives have been saved because of BESS.
